Subject: Apple's Reply in Support of Motion for Final Approval of Class Action Settlement and Plan of Allocation

Vivi,

I saw my letter objecting to this lawsuit in your recent filings, thanks for mailing them to me. I had no idea my letter would have caused you additional work or that it was in Apple's interest to let the settlement proceed smoothly and without objection, sorry about that. I just didn't see merit in this lawsuit, and that's what I wished to convey to the Court and plaintiff's counsel. Had I known you'd have to explain my objection to gain approval, I would have just filed a claim like everyone else (I bought 1,715 shares during that period).
